SCOUTS AND GUIDES PRAYER

Each week, our school organizes a dedicated prayer session for the Scouts and Guides. During this gathering, Scouts and Guides students lead the prayers, creating a respectful and inspiring environment for all participants. Following the prayer, students take turns sharing updates on recent activities, projects, and events they have been part of, providing insight into their contributions to the Scouts and Guides organization.

This weekly session serves as a platform for students to reflect on their accomplishments, discuss their learning experiences, and strengthen their understanding of the values and principles of the Scouts and Guides movement. It also promotes teamwork, leadership, and a sense of community among the students, fostering a supportive environment where they can grow both individually and as a group. Through these sessions, students develop a deeper appreciation for the spirit of service, discipline, and camaraderie that is at the heart of Scouts and Guides.
