No. CE/DIQC/CAMP OFFICE/S/700-01

Dated. 15-07-2021.

Subject:- Structural Safety Audit.

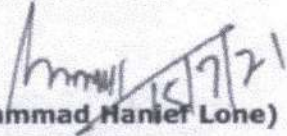

Ref. :- Your office letter no. 9500/3/Aff dated 25-06-2021.

Madam,

Kindly refer your office letter on the above stated subject. In this regard, it is submitted that:-

1. The safety certificates of existing buildings in J&K are being issued by the concerned PWD (R&B) Territorial Divisions within their respective jurisdiction from time to time / on yearly basis as required.
2. However, structural safety/ design of the problem areas in the school buildings can be checked by this department if the work done architectural drawings, structural drawings, design calculations, material test reports (evaluating present strength of various materials of existing buildings) along with other necessary details are provided to this department.
3. The building material testing facility is available in the office of Research Officer, Material Testing Laboratory, DIQC Department, Bhagawati Nagar, Jammu. If your organization intends to get such test done as to evaluate strength characteristics of the building materials, you can send the core samples of the concrete and steel from various locations of the structure under consideration along with requisite testing fee.

Yours faithfully,
